UNSW - School of Computer Science and Engineering (CSE)	\$2,000 (tax exempt) per annum, tenable for the duration of the program subject to satisfactory progress.	No	<p>This Scholarship was established to encourage Aboriginal and Torres Strait Islander students or students from isolated rural communities to undertake study in the School of Computer Science and Engineering (CSE) at UNSW. To be eligible for a Scholarship, an applicant must be an Aboriginal or Torres Strait Islander or have lived in an isolated rural community in the previous year and be proposing to undertake full-time study in an undergraduate program in the School of Computer Science and Engineering at UNSW. Applicants must have undertaken the HSC (or equivalent) in the year prior to commencing study at UNSW, or meet the requirements of the AEP Admission Scheme for an undergraduate program at the School of Computer Science and Engineering. Applicants will be assessed on the basis of academic merit, reasons for undertaking the proposed study, personal qualities (including leadership and potential to contribute to the wider life of the University) and consideration of any social and/or economic circumstances which may hinder success at UNSW. It is anticipated that the successful applicant will act as a role model and reach out to secondary school students of Aboriginal or Torres Strait Islander descent or students from isolated rural</p>	<p>An application form is available which must be completed and lodged together with any supporting documentation by the closing date. For 2008, the closing date was January 31, 2008.</p>	<p>http://www.scholarships.unsw.edu.au/future/undergrad_local/aboriginal_TSI/PolarisSoftwareUllas.html</p>	<p>For further information contact UNSW Scholarships and Financial Support on 02 9385 1078 or email scholarships@unsw.edu.au and quote reference number UGCE1090.</p>
